Why hotels offer these substantial savings

The special rates in this guide are **"BASED ON AVAILABILITY."** This means that coupons will generally be accepted unless the hotel believes that it can sell its remaining rooms at the regular published rate. Like many other items, the price of a hotel room changes according to supply and demand. When business is slow, a hotel may offer a limited number of rooms at a low rate to attract additional guests.

During busier times (special events or peak periods), that same hotel may charge full price and not accept coupons or other discounts. Similarly, coupons will not be accepted if you have guaranteed advance reservations made at a higher rate. It is easy to find out if a hotel has discounted rooms available. Just call ahead and ask the hotel operator if the special coupon rate is available tonight and that you would like to use a HotelCoupons.com coupon. They will be happy to let you know if the coupon rate is available.

TRAVEL TIPS from 

How to Avoid Catching a Cold During Holiday Travel Season

By Kimberly Devitt

With the holidays quickly approaching, large crowds and close quarters will make it a challenge to maintain overall health and wellness. Here are 5 healthy practices to keep you and your family healthy this holiday season:

- 1** Wash your hands frequently
- 2** Avoid touching your eyes, mouth, or nose
- 3** Stay hydrated
- 4** Get a good night's sleep
- 5** Drink tea

Best Pizza in the U.S.

by Dana Damato

There's nothing more satisfying than a good slice of pizza. We don't know about you, but we certainly never met anyone who doesn't crave it. That chewy crust, gooey cheese, and robust sauce topped with anything you can imagine - there's no denying that most of us fall in love at first slice. We tracked down some of the top pies across the country. Check out these Best Pizza Places in the U.S.!

Don't see yours on the list? Let us know where we've gotta go! Leave us a comment at <http://dtn.life/pizza>, where you can read more about our picks to the right.

Litter that finds its way into highway storm drains could end up polluting our lakes, rivers and beaches. We are all responsible for helping reduce the amount of litter that ends up in our water system through storm drains.

There are many ways you can help prevent this kind of pollution:

- *Never throw any trash or litter on the ground.*
- *Never throw anything out a car or truck window*
- *Always carry a litter bag in your car.*
- *Securely cover open loads on all trucks.*
- *Pick up litter in your neighborhood.*
- *Set an example for others by not littering.*

Thank you for helping keep California clean!
